1. Organisation and facilities

- 1.1. Securing good attendance is not seen in isolation. St Barnabas CE Primary School's effective practices for improvement involve close interaction with curriculum planning, positive behaviour, bullying prevention, safeguarding, special educational needs and medical needs support, mental health and wellbeing, and effective use of resources. School's foundation for securing good attendance is that school is a calm, orderly, safe, and supportive environment where all pupils want to be and are keen and ready to learn.

2. Rationale

- 2.1. School promotes the benefits of good attendance for all pupils. It sets and expects high standards of attendance for every pupil, communicates those expectations both clearly and consistently to pupils and parents/carers and systematically analyses their data to identify patterns to target their improvement efforts. We are committed to working together with children and parents to promote 100% attendance wherever possible.
- 2.2. For some pupils the barriers to accessing education are wide and complex, both within and beyond the school gates, and are often specific to individual pupils and families. Some pupils find it harder than others to attend school and therefore at all stages of improving attendance, School and partners will work with pupils and parents/carers to remove any barriers to attendance by building strong and trusting relationships and working together to put the right support in place.
- 2.3. Improving and supporting attendance is the responsibility of everyone in school. We believe that good attendance is essential for pupils to get the most out of their school experience, including their attainment, wellbeing, and wider life chances.

3. Policy aims (based on DfE guidance and best practice)

- 3.1. We will ensure:
 - a culture of good attendance that reflects school's guiding principle and core values and that is embedded and enacted in everything we do.
 - a named Governor responsible for safeguarding and attendance will be in place and knowledgeable about school attendance.
 - strong school leadership, where leaders are highly visible and ambitious attendance goals are set.
 - attendance and punctuality are set as a priority for all those associated with the school including Governors, pupils, parents/carers and teachers.
 - an improved overall percentage of pupils at school.
 - accurate admissions and attendance registers in place in all schools.
 - there is a framework which defines agreed roles and responsibilities and promotes consistency in carrying out designated tasks.

- a first day response in school as part of their robust daily response to absence.
- there is a dedicated senior leader responsible for attendance and championing and improving attendance.
- there are monitoring reports for the Trust, Governor Committees, and schools.
- school staff receive annual attendance training, and that attendance is part of school induction protocols.
- school has a Welfare Team in place and resources to support families at risk of poor attendance.
- work takes place with families to address the reasons for absence including in school barriers.
- vulnerable pupil groups including LAC, receive targeted and bespoke support plans.
- processes for engagement with Local Authority Attendance Team Fast Track Prosecution services are in place.
- engagement with multi-agency professionals, early help assessment, whole family support, including special educational needs professionals.
- access to school resources in the first instance where there are out of school barriers for families.
- Children's Social Care are involved where there are safeguarding concerns and build support into attendance planning.

4. Expected attendance and legalities

- 4.1. The law entitles every child of compulsory school age to an efficient, full-time education suitable to their age, aptitude, and any special educational need they may have. It is the legal responsibility of every parent to make sure their child receives that education either by attendance at a school or by education otherwise than at a school.
- 4.2. Where parents decide to have their child registered at school, they have an additional legal duty to ensure their child attends that school regularly. This means their child must attend every day that the school is open, except in a small number of allowable circumstances such as being too ill to attend or being given permission for an absence in advance from the school.

5. Roles and responsibilities

- 5.1. Senior Leadership
 - The Headteacher has overall responsibility for attendance in school. School has a senior leader responsible for attendance. They will be the first point of contact should parents/carers have any concerns about their child's absence. The Senior Leader responsible for attendance is Jayne Fisher (DSL/SENCO)
 - Responsibilities of the senior leader include championing and improving attendance in school, offering a clear vision for attendance improvement, evaluating and monitoring expectations and processes, oversight of data analysis, and communicating messages to pupils and parents.

6. First day response and daily absence

- 6.1. School requires first day contact for a child's absence. The procedures for when first day contact is not received are recorded in the attendance protocols.
- 6.2. All other absences will be marked as unauthorised unless prior arrangement has been agreed with the Headteacher.
- 6.3. With regards to unexpected absence during term time, parents and carers should contact school daily during any absence. Absence should be reported by 9 am

for each day of absence to the school office 01925 633606 or via Class Dojo messaging system. This should clearly state the name of child, child's class, the name of the person reporting the absence and the reason why the child is absent. Alternatively parents and carers can email StBarnabas_Office@sch.warrington.gov.uk to report an absence.

7. Managing absence

- 7.1. Attendance is reviewed by the school attendance officer.
- 7.2. Where absence persists and voluntary support is not working or is not being engaged, school will work together with families to explain the consequences clearly and ensure support is also in place to enable families to respond. Depending on the circumstances this may include formalising support through a parenting contract or education supervision order.
- 7.3. The school is supported by the Attendance Team at the Local Authority and will seek advice and representation from this service to assist in the monitoring of poor attendees. The service will formulate a plan of action with the school to improve pupil attendance and if necessary, can instigate legal proceeding through the fast-track process. Where all other avenues have been exhausted and support is not working or not being engaged with, attendance will be enforced through statutory intervention to protect the pupil's right to an education.

8. Recording attendance and authorising absence

- 8.1. Reasons for non-attendance should always be provided by parents/carers. If this is not the case the school will continue to contact parent/carer until a reason has been given.
- 8.2. School has agreed with the Local Authority that the school will not authorise absence except for medical or illness or faith-based holiday. School follows Local Authority guidelines and will not authorise any absence due to holiday unless exceptional circumstances can be proven. [Appendix 1](#)
- 8.3. School can request that any absence due to illness be verified with a doctor's appointment card or medical note if necessary. Detailed guidelines have been formulated and will be provided upon request.
- 8.4. Fixed codes for absence and attendance are used consistently throughout the school and are shared with parents/carers. [Appendix 3](#)

9. Requesting authorised absence

- 9.1. All other planned absences will be marked as unauthorised unless prior arrangement has been agreed with the Headteacher. Any leave of absence should be requested via email/letter addressed to the headteacher.

10. Promoting and incentivising good attendance

- 10.1. School aims to build strong relationships with families, listen to and understand barriers to attendance and work with families to remove them. They will be provided with support, advice and guidance where required. We will establish an effective and efficient system of communication with pupils, parents/carers and appropriate agencies to provide mutual information, advice and support. We are committed to working together with children and parents to promote 100% attendance wherever possible.
- 10.2. School visibly demonstrates the benefits of good attendance throughout school life. This may include in displays, assemblies or through curriculum content. This will be done sensitively and without discrimination and may also include praising

and rewarding improvements in attendance at whole school, key stage, year group, class and individual level. Praise and rewards systems can be found in the protocols.

- 10.3. When a pupil has not attended school for a significant period, we will recognise the needs of the individual pupil and carefully plan re-integration.

11. The use of data/tracking and monitoring of attendance

- 11.1. The Department for Education, Local Authority require school to monitor and report the attendance levels of every pupil. One of the reasons for this is the strong statistical link between attendance and attainment. The higher a pupil's attendance, the higher their levels of achievement. School seeks to ensure that all its pupils receive a full-time education which maximises opportunities for each pupil to realise their true potential.
- 11.2. School will rigorously and proactively use attendance data to identify poor patterns of attendance at individual and cohort level as soon as possible so that all parties can work together to resolve them before they become entrenched.
- 11.3. The admin team will provide monitoring reports for the Attendance Team, SLT and the Governing Body.

12. Strong Partnerships and working together

- 12.1. School will work collaboratively with external partners to identify and address the root causes of absence and remove barriers to attendance, at home, in school or more broadly. This work may include Early Help assessment, whole family planning and special educational needs assessment. It may also include working with Children's Social Care where there are safeguarding concerns. This support will be built into attendance planning.
- 12.2. Information will be shared with other schools in the area, Local Authorities, and other partners when absence is at risk of becoming persistent or severe.
- 12.3. Developing strong relationships and families will result in reduction in persistent and severe absence. These relationships will ensure families are supported to gain access to wider support services and will be provided with support to remove the barriers to attendance. When appropriate support will be formalised in conjunction with the local authority.

13. Training

- 13.1. All teaching and non-teaching staff will know the importance of good attendance, are consistent in their communication with pupils and parents/carers and receive the training and professional development they need. To ensure this happens all school staff will have received annual attendance training.
- 13.2. Information regarding attendance is part of school staff induction protocols.

14. Attendance protocols which form part of this policy

- 14.1. St Barnabas CE Primary School has the following protocols to support the implementation of this policy. The protocols are intended to support staff and parents/carers by providing guidance in procedures and are based on DfE best practice:

Number	School Protocols
1	The school day and registration

2	Absence managing procedure
3	Daily absence procedure
4	Tiered approach to attendance support
5	Praise and rewards systems

Protocol 1 - The School Day and Registration

All children should enter school between 8:40 and 8:45am

- Registration takes place as soon after arrival as possible
- All gates are locked at 8:50am and any child who arrives after this time will have to enter school through the main office and be marked as late
- The register will be left open in extreme bad weather
- Registers must be in the school office by 9am
- Any pupil arriving after 8:50am will be recorded in the school's late book
- Parents/carers of children persistently arriving after 8.50am (3x during a 2 week period) will be contacted by school to discuss the lateness and offer support to seek a resolution.
- Parents will be informed of how many minutes of learning time children have lost as a result of lateness.
- Where school action fails to bring about an improvement, the matter will be discussed with the Local Authority Attendance Team in order to offer further support.

Protocol 2 - Absence Managing Procedure

Every week the following procedure is followed:

Whole school, cohort and individual pupil attendance data is analysed to identify patterns causing concern

Identify at risk children 90 – 95%

Identify reason for absence.

- If appropriate, parents of these pupils may be contacted parents by Dojo or face to face in order to work with them and swiftly understand and address the reasons for absence including any in-school barriers to attendance. Where out of school barriers are identified, signpost and support access to any required services in the first instance.
- If emerging issue is identified, an attendance reward card is put in place

Every 6 weeks and the following procedure is followed:

All pupils whose attendance has dropped below 95% are identified. First attendance letter to be sent to parents of these pupils via Dojo and Email- see appendix 3. This is order to inform parents of the impact of poor attendance and to give them the opportunity to work with school to address this before the pupil potentially becomes a persistent absentee.

Identify PA (90%) children and reason for absence. First attendance letter to be sent to parents of these pupils via Dojo and Email- see appendix 4 This is order to inform parents of the impact of poor attendance and to give them the opportunity to work with school to address this.

In addition to this support, if appropriate, a supportive discussion with a member of the School Welfare Team and the LA Attendance Team may be offered.

Improvements in attendance are acknowledged in a range of ways including b Dojo's, postcards home or verbal praise.

No improvement in attendance from previous 6 weeks, 2nd attendance letter to be sent

appendix 5 as attached (parents made aware of the involvement of the LA Attendance Team, medical evidence for any further absences requested and attendance closely monitored over the next 6 weeks)

If still PA over next term 3rd attendance letter sent and potential escalation by the LA Attendance Team, appendix 6 attached. Parents will be invited to a formal meeting with the school and the Attendance Team.

If still PA after receiving support from the LA Attendance Team

A plan of action will be put in place by the LA Attendance Team to improve attendance which could result in prosecution if there is no significant improvement in attendance.

Improvements in attendance are acknowledged in a range of ways including b Dojo's, postcards home or verbal praise.

Attendance monitoring reports completed half termly identifying PA (90%) children and reasons for absence

For those children that have achieved over 96% and 100% each term, attendance badges are distributed

APPENDIX 1

St Barnabas Pupil attendance and planned absence (Appendix to policy).

Definition of “exceptional circumstances” for term time holiday authorisation.

Legislative Framework:

It is a parent’s duty under Section 7 of the Education Act 1996, to ensure that their child of “compulsory school age” is to receive “an efficient, full time education”. A child is of compulsory school age from age five. A child should attend school from the start of term commencing on or after his / her fifth birthday. We encourage good attendance from the day a child joins our school.

Parents of registered pupils have a legal duty under Section 444 of the Education Act 1996 to ensure that children of compulsory school age attend school on a regular and fulltime basis. Permitting unauthorised absence from school is an offence and parents may be reported to the Trust, and other authorities, if problems cannot be resolved by agreement with the school. School policies describe the required levels of attendance and punctuality for good progress to be made at school.

The government expects schools to:

- Promote good attendance and reduce absence.
- Ensure that every child has access to full time education to which they are entitled; and,
- Act early to address patterns of absence.

The government also expects:

- Parents to perform their legal duty by ensuring their children of compulsory school age, who are registered at school, attend regularly.

The Education (Pupil Registration) (England) (Amendments) Regulations 2013 have amended Regulation 7 of the 2006 regulations to prohibit the Headteacher of a school from granting leave of absence to a pupil except where an application has been made in advance and the Headteacher considers that there are exceptional circumstances relating the request. We believe it is necessary to define what we consider to be “exceptional circumstances” to give further structure to the decision to decline authorization of absence.

St Barnabas have four permitted areas of “exceptional circumstance”:

1. The death or terminal illness of an immediate family member, where immediate is defined as the parents / carers and siblings of the child in school.
2. Absence recommended by a health professional.
3. Religious observance.
4. Allowances made for the families of service personnel on active duty.

In addition, we apply a further “threshold test” to the fundamental definition of “exceptional”. We believe that the circumstances must be, rare, significant, and unavoidable to qualify.

Where the Headteacher is satisfied that there are exceptional circumstances to warrant the request for leave of absence but has additional concerns about the timing of the absence, or the pupil’s attendance record, they may request a meeting with the parent / carer; the absence may not be authorised without attendance at this meeting.

If you require any further information or clarification, please refer your request to the school Headteacher via the school office

Dear Parent/carer

Child's name:

I am writing concerning your child's attendance at school. As you can see from the enclosed Registration Certificate, currently their attendance stands at _____% and the government expectation is that pupils should maintain at least 97% attendance. Good attendance is vital if pupils are to achieve their full potential. If they are not in school, they are not learning.

Examples of attendance levels and their impact					
100%	95%	90%	85%	80%	75%
No days lost	10 days lost	19 days lost	29 days lost	38 days lost	47 days lost
190 school days each year	180 days at school	171 days at school	161 days at school	152 days at school	143 days at school
Best chance of success!		Makes it difficult for your child to progress		Not fair on your child – possible legal action	

Whilst I appreciate that there may be genuine medical reasons for your child's absences, patterns of absence are queried by the Local Authority Attendance Team and they may become involved if there is not an improvement. If a child of compulsory school age fails to attend regularly at a school at which they are registered, the parents may be guilty of an offence and can be prosecuted by the local authority

If you are having difficulty getting your child into school I would welcome the opportunity to support you.

My work mobile number is 07308 121116 and I am available most mornings on KS1 or KS2 playgrounds.

Kind Regards,

Good attendance is vital if pupils are to achieve their full potential. If they are not in school, they are not learning.

I am aware that there may be medical reasons for non-attendance and I am sensitive to this, but I would like to work together with you to ensure your child's attendance increases over the remainder of the year.

Good attendance at school is vital if pupils are to achieve their full potential and make consistently good progress. Your child's attendance has now been noted by the Local Authority Attendance Team as part of our reviews and we now request that any future absences must be accompanied by medical evidence (see examples below), or they will be classed as unauthorised and could result in the Local Authority Attendance Team taking legal action.

Acceptable proof of illness:

- A note from the doctor's receptionist (a stamped, named and dated appointment card)
- Medication prescribed by the doctor (not from over the counter at a pharmacy)
- A copy of the prescription to cover the illness dates

I will continue to closely monitor your child's attendance and expect to see an immediate improvement.

Dear Parent/Carer

Child's name:

Following my previous letters and contacts with you 's attendance remains a cause for concern and is only.....%.

As his/her attendance has not significantly improved, I must inform you you're your child's case has been taken on by the Local Authority Attendance Team. Under Section 7 of the Education Act 1996, you are legally responsible for ensuring regular attendance and punctuality of your child at school.

The Government have decreed that any pupil with an attendance level of under 90% will be classed as a 'persistent absentee'. Unfortunately your child is a persistent absentee and as a result are at risk of falling behind in their learning.

A member of the Attendance Team from the Local Authority will be in contact with you and may consider further action.

May I take this opportunity to remind you that the outcome of their involvement will be influenced by an improvement in your child's attendance at school. I would urge you to ensure your child attends school regularly from now on. If they are absent for any reason it is still a requirement that you must provide medical evidence to support their absence.

As always I am willing to discuss this matter with you further either in person or by phone. Thank you in anticipation for your cooperation.

Yours sincerely,

Mrs J Fisher
