'Let your light shine'

Warrington Walking Day - Friday 30th June

Warrington Walking Day will be taking place on Friday 30th June 2023. It is a special parade of local schools and community groups, the parade starts at school and walks through town on a special route through the Golden Gates – it is a special event for the whole town with music and spectators - something that makes Warrington unique. This year we are taking part again and would love you to join us to celebrate this wonderful event which makes up part of Warrington's cultural heritage. Please see the letter sent out today for more information.

Have a lovely weekend everyone. **Miss Hodgkinson**

LETTING OUR LIGHT SHINE: HERE ARE SOME OF THE WAYS WE HAVE LET OUR LIGHT SHINE THIS WEEK...

Our Christian Value for this half term is:

'Wisdom'

This week we pray for those who lost their lives and are affected by the tragic events in Nottingham.

"Knowing yourself is the beginning of all wisdom." Aristotle

This week's big question is: How can I gain wisdom?

Staying Safe Online

Our guide this week shines a spotlight on anime. This is one of the most popular forms of media in the world and because it is quite cartoonish, it is believed to be childfriendly. Most of the anime content does fit this description, however there is some that parents and carers need to be aware of that is inappropriate for younger audiences.

<u>Be on time!</u>

Being on time to school every day is really important. Children who are late miss vital learning and are picking up bad habits that could affect their future employability. Being just a few minutes late each day builds up to large amounts of lost learning over a school year. If your child is late twice within a 2-week period, you will be contacted to discuss how we can support you to get to school on time.

Minutes late per day	Days of lost learning in a year
5 minutes	3 ½ days
10 minutes	7 days
15 minutes	10 days
Please make sure your child	is in school by 8:45am EVERY DAY
ready to learn.	

Water Bottles

Children are asked to bring a bottle to school filled with water which they can drink throught the day. Drinking water throughout the day keeps children's brains hydrated and helps them to learn well. Only water is allowed in these bottles, as drinking juice throughout the day causess tooth decay. Children can drink juice with their dinner. If any children persist in bringing juice in their water bottles, parents will be contacted.
