St Barnabas C.E Primary School Facebook page

Dear Parents/Guardians,

Maintaining an online presence is vital for schools, in terms of keeping the school community up to date with what's happening, having a school website- www.stbarnabasceprimary.co.uk is an essential part of this. However, web users must specifically visit the website regularly to receive the information. By having a Facebook page- <https://www.facebook.com/stbarnabasceprimary>, the school is feeding school information, news and notices directly into the personal news feeds of parents.

We aim to use this page to highlight positive school achievements and to make school announcements in a forum where they can be shared by the school community.

Accessing the school's Facebook page indicates you have read, understood and accepted our Facebook Page Guidelines.

1. Facebook users who have 'liked' our page are unable to author a post of their own, comment or load media such as videos or photos.
2. We do not endorse children under the facebook age of 13 creating their own Facebook accounts. We ask you to be vigilant with your child's online activities and what they could be potentially exposed too. Please see the links on our page for any extra help with social media accounts and keeping your child safe
3. We would like people to be respectful when using the page and any contributions should be positive. Should you wish to bring any concerns to the school's attention this should be done by contacting the school directly to ensure we are able to deal with the matter in a timely and appropriate manner.
4. The school will not respond directly to requests or messages on facebook. If you need to contact the school, please speak to your child's teacher or contact us through the usual means.
